

CPPI Certificate of Proficiency in Personal Insolvency Scotland

CPPI provides an opportunity for recognition at a level equivalent to CPI for those working purely in the personal insolvency sector. The focus of this qualification is not just the statutory forms of personal insolvency but also incorporates non-statutory debt solutions and the sequestration of partnerships. On successful completion of the exams, candidates may apply for Affiliate Membership of the IPA (AIPA).

ISS Training's modules have been designed to cover the Scottish examination syllabus and to offer essential guidance on the principal areas on which you will be tested. Participants are actively encouraged to ask questions and to discuss the syllabus with the speakers. Comprehensive study aids and course notes for each module will be provided. Face-to-face tutorials get results. Compare our results with those of our online-only competitors.

The modules are continually updated for current legislation and best practice. The training is practical and participative, culminating in a mock exam and a revision session that covers all the areas of difficulty as identified by participants throughout the course of the training.

In 2019, we will again be offering a full open course in Manchester.
